Judge McMahon:

I am writing because I am a Clemency Project 2014 volunteer attorney who has requested a copy of the Presentence Investigative Report for the above-named defendant for purposes exclusively associated with Clemency Project 2014. It is my understanding that the Administrative Office of the United States Courts has authorized the Bureau of Prisons to release Presentence Investigative Reports to Clemency Project 2014 volunteers with their client's consent, following notice to the sentencing judge, if the sentencing judge does not object within 14 days. Accordingly, the Bureau of Prisons will disclose the Presentence Investigative Report to me two weeks from the date of this notice unless you object. The Bureau of Prisons has opened an email address for correspondence related to Clemency Project 2014's request for Presentence Investigative Reports. They have requested that your objection, if you have one, be directed to:

[BOPClemency2014@bop.gov](mailto:BOPClemency2014@bop.gov)

I have received Guy Thomas Fisher's written consent to obtain the Presentence Investigative Report, a copy of which is attached to this letter. I will disclose the Presentence Investigative Report only to members of the Screening and Steering Committees who have executed non-disclosure agreement and to the Office of the Pardon Attorney as a required attachment to the petition for clemency.

No other disclosure of the Presentence Investigative Report shall be made and the Presentence Investigative report will not be provided to the client. I will return the Presentence Investigative Report to the Bureau of Prisons or destroy it upon conclusion of my representation of [Applicant]. Members of Clemency Project 2014 who have received a copy of the report also agree to destroy copies upon completion of their review of the case.

Sincerely,
